In Your Holy Name we pray. Amen

CONCURRENT RESOLUTIONS

On behalf of Senator Curls, Senator Kehoe offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 42

Whereas, neuroblastoma is a type of cancer that forms in the sympathetic nervous system of infants and young children; and

Whereas, neuroblastoma is a very serious childhood disease which is responsible for 12% of all cancer deaths in children under 15 years of age, accounts for about 7% of all cancers in children, and is the most common type of cancer among infants; and

Whereas, there are roughly 650 new cases of neuroblastoma each year in the United States causing a child to die every 16 hours from the disease; and

Whereas, the National Cancer Institute spends less than 3% of its budget and the American Cancer Society directs less than 2% of its research dollars towards pediatric cancer; and

Whereas, pediatric AIDS research receives four times more funding than childhood cancer even though childhood cancer is 20 times more prevalent; and

Whereas, physicians frequently face major challenges in diagnosing neuroblastoma because the symptoms are very similar to more common and less serious childhood illnesses, which results in delayed diagnosis; and

Whereas, by the time neuroblastoma is diagnosed, in roughly two out of three cases the disease has already spread to other parts of the body; and

Whereas, the children suffering from neuroblastoma often undergo treatment involving chemotherapy as well as surgery, and experience prolonged painful symptoms; and

Whereas, the families of children with neuroblastoma must deal with the potential of losing their child while at the same time face out of pocket expenses to treat childhood cancer of roughly $40,000 a year, even with insurance coverage; and

Whereas, those suffering from neuroblastoma deserve recognition and support in their battle against this painful and deadly disease:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby declare November 14, 2016, as Neuroblastoma Cancer Awareness Day.

Senator Richard offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 43

Whereas, the Missouri State Capitol is the people's building; and

Whereas, the Constitution of the state of Missouri affirms the right of the people to petition their elected officials; and

Whereas, the members of the General Assembly have noted the continuing need for increased space in the State Capitol building for the citizens of this state, including those with physical disabilities, to exercise fully this right and meet with their elected representatives; and

Whereas, currently, a sizeable number of legislative offices are located in physical spaces that cannot be accessed by those citizens with physical disabilities; and

Whereas, statewide elected officers and other entities currently occupy physical space in the State Capitol building for job duties that could be performed in other state-owned buildings; and

Whereas, in order to ensure accessibility to the State Capitol building for all citizens of this state and accommodate the needs of the public, it is necessary to reallocate, for use by the General Assembly, physical space currently utilized by certain statewide elected officers and other entities listed in this resolution; and

Whereas, section 8.010, RSMo, establishes the Board of Public Buildings and grants it general supervision and charge of the public property of the state at the seat of government; and

Whereas, subsection 1 of section 8.460, RSMo, states "The board of public buildings may build an office building in the City of Jefferson to house state offices which are presently located in rented quarters within the county of Cole, and they shall remove as many offices from the State Capitol building as the General Assembly deems necessary to provide adequate space for its members"; and

Whereas, the General Assembly is duty bound to investigate the appropriate space needs of the members of the General Assembly in the State Capitol building in order to demand the Board of Public Buildings to remove the appropriate number of offices from the State Capitol building:

Now Therefore Be It Resolved by the members of the Missouri Senate, Ninety-eighth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby establish the "Joint Committee on Capitol Improvements" to examine the appropriate space needs of the General Assembly, certain statewide elected officers, and other entities within the State Capitol building; and

Be it further resolved that the Joint Committee on Capitol Improvements shall be composed of the President Pro Tempore of the Senate, the Speaker of the House of the Representatives, two members of the Senate appointed by the President Pro Tempore of the Senate, two members of the House of Representatives appointed by the Speaker of the House; one member of the Senate appointed by the Senate Minority Leader, and one member of the House of Representatives appointed by the House Minority Leader. The President Pro Tempore and the Speaker of the House shall be co-chairpersons of the Committee. A majority of the members shall constitute a quorum. Meetings of the Joint Committee may be called at such time and place as one or both of the chairpersons designate; and

Be it further resolved that the Joint Committee may hold hearings as it deems advisable and may obtain any input or information necessary to fulfill its obligations. The Joint Committee may make reasonable requests for staff assistance from the research and appropriations staffs of the House and Senate and the Committee on Legislative Research; and

Be it further resolved that the Joint Committee may prepare a final report, together with its recommendations for any demands for reallocation of space within the State Capitol building to the Board of Public Buildings pursuant to subsection 1 of section 8.460, RSMo, for submission to the General Assembly by December 31, 2016, at which time the Joint Committee shall be dissolved; and

Be it further resolved that members of the Joint Committee and any staff personnel assigned to the Joint Committee shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the Joint Committee; and

Be it further resolved that the actual expenses of the Joint Committee, its members, and any staff assigned to the Joint Committee incurred by the Joint Committee shall be paid by the Joint Contingent Fund; and

Be it further resolved that the Joint Committee is authorized to function during the legislative interim between the Second Regular Session of the Ninety-eighth General Assembly and the First Regular Session of the Ninety-ninth General Assembly through December 31, 2016, as authorized by State v. Atterburry, 300 S.W.2d 806 (Mo. 1957).

SENATE CONCURRENT RESOLUTION NO. 44

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on

the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that this application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
